

Authors have written the manuscript in compliance with Instructions to Authors and Recommendations for the Conduct, Reporting, Editing, and Publication of Scholarly Work in Medical Journals (<https://www.icmje.org/icmje-recommendations.pdf>) from the International Committee of Medical Journal Editors, and the Guideline of Committee on Publication Ethics (<https://publicationethics.org>).

Cover letter

- Manuscript's title
- Statement that your paper has not been previously published and is not currently under consideration by another journal.
- Brief description of the research you are reporting in your paper, why it is important, and why you think the readers of the journal would be interested in it.
- Contact information for you and any co-authors.
- Confirmation that you have no competing interests to disclose.

Title page

- Title page including the title of the article, the full name of the author(s), academic degrees, positions, institutional affiliations, a running title (of 7 or less words), correspondence, and declarations.

Declaration

- Conflicts of interest, funding, authors' contributions, ORCID, data availability statement, and acknowledgments

Abstract

- Original article: <250 words; structured abstract— Objective, Methods, Results, Conclusion
- Review article: <200 words; unstructured abstract
- Case report: <200 words; unstructured abstract

Keyword

- Keywords should be from MeSH subject headings when possible.

Main text

- Information regarding approval of an institutional review board and obtaining informed consent should be mentioned.
- Original article: Introduction/Methods/Results/Discussion/Conclusions
- Review article: Introduction/Review/Conclusions
- Case report: Introduction/Case Report(s)/Discussion/Conclusions

Reference

- Refer to the reference format in the author's guideline.

Table

- If tables are included, they should be included as text and not as illustrations so that they may be edited if necessary.

Figure

- Figure legends should be included as text and not as illustrations so that they may be edited if necessary.

Author's form

- All authors have completed the Copyright Transfer Agreement and Ethics Concerning Human Subjects.

Conflict of interest form

- All authors have completed the COI Statement.

Permission

- The authors are responsible for obtaining permission from the copyright holder to reprint any previously published material in RDE.
